Our first prize winner will be fitted with an Inman Aligner brace to quickly straighten the front teeth in just four to 16 weeks, with very little adjustment needed from the dentist. The prize also includes a retainer to help keep teeth in place once the treatment has finished.

Our first prize winner will also benefit from the Zoom whitening laser treatment, which promises results up to eight shades lighter in just one hour-long treatment.

In addition, we are offering one runner-up the Zoom whitening treatment from Aqua Dental Spa worth £750.
